Re: CC Docket No. 02-33 - Notice of Offering Wireline Broadband Internet Access Service (WBIAS)
on Permissively Detariffed Common Carrier Basis and Discontinuance of Offering on Tariffed Basis

Dear Ms. Dortch:

Laurel Highland Telephone Company (LHTC) hereby notifies the Commission that on July 1, 2008, LHTC will begin offering Wireline Broadband Internet Access Service (WBIAS) on a permissively detariffed common carrier basis and discontinue offering common carrier WBIAS on a tariffed basis from the National Exchange Carrier Association Tariff F.C.C. No. 5. Neither the provisioning of nor the rates for these services will be affected by this action. In other words, the rates for these services will continue to be the effective rates contained in the National Exchange Carrier Association Tariff F.C.C. No 5, unless and until customers decide to change the terms of their service plan. Those revised terms and conditions under which WBIAS will be offered will be available on LHTC's web-site (www.lhtot.com) effective July 1, 2008 and will also be available for review at LHTC's business office located at 4157 Main Street, Stahlstown, PA 15687-0168. The geographic areas affected by this are the areas in which WBIAS is available in the Indian Head and Stahlstown exchanges of LHTC.

This notice is also being provided to the Pennsylvania Public Utility Commission, the Governor of Pennsylvania and the Special Assistant for Telecommunications at the Department of Defense. A copy of the notification to the LHTC's only customer for WBIAS (the non-regulated Internet Service Provider operation of the Company) is attached.

If you have any questions please do not hesitate to contact me.

Sincerely,

James J. Kail
President and CEO

**Notice of Offering Wireline Broadband Internet Access Service (WBIAS) on
Permissively Detariffed Common Carrier Basis and Discontinuance of Offering on
Tariffed Basis Effective July 1, 2008**

This is an informational notice required by the FCC. **No action is required on your part.** The services and rates for your current Wireline Broadband Internet Access Service (WBIAS) are not changing. Laurel Highland Telephone Company (LHTC) is required to notify you of its intent to discontinue providing WBIAS on a tariffed basis from the National Exchange Carrier Association Tariff F.C.C. No. 5. This notice fulfills that requirement. However, the rate for your current WBIAS will continue to be the currently effective rate in the National Exchange Carrier Association Tariff F.C.C. No. 5, unless and until you decide to change your service plan to one of the alternative plans which are listed on LHTC's website. The geographic areas affected by this are the areas in which WBIAS is available in the Indian Head and Stahlstown exchanges of LHTC.

The revised terms and conditions for LHTC WBIAS will be available on the Company's website (www.lhtot.com) effective July 1, 2008 and will also be available for review at LHTC's business office at 4157 Main Street, Stahlstown, PA 15687-0168.

Once again, there will be no changes to your service or the pricing plan to which you currently subscribe. Should you have any questions concerning this notice, please contact me.

Sincerely,

James J. Kail
President and CEO
